¹ Plans F and G also have a high deductible option which requires first paying a plan deductible of \$2700 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible. (The calendar year high deductible for high deductible Plan “F” and high deductible Plan “G” shall be adjusted annually by the Secretary of the United States of Health and Human Services. The cover page must specify the applicable deductible amount.)

² Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

³ Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that do not result in an inpatient admission.
